

Finance Data Analysis

Wireframe Documentation

Homepage

As per the problem statement, we have created five dashboards:

1. EPS and Volatility:

In this dashboard we tried to show the EPS and volatility of some of the top companies.

2. Checking Sectors performance:

3. EBITDA, Dividend yield and Annual sales:

In this dashboard we tried to show the Bar charts showing top companies on the basis of annual sales, EBITDA and Dividend yield.

4. Market capitalisation and valuation judgment:

By selecting the capital size of company from slicer, graph shows top 10 companies of that market capital size.

5. Company wise detailed report:

Financial Analysis
